

# The role of a Prevent Officer

- 1.** Knowledge of the prevent duty, this is done through staff training and weekly staff briefings.
- 2.** Knowledge and understanding of DfE and Home Office policy relating to Safe Guarding & Young People against extremism and radicalisation, all guidance is given out to staff and online training is completed by all.
- 3.** To respond to all forms of extremism, leading to terrorism, this is done by following all processes and procedures and being aware of the CASS referral system
- 4.** To include all Islamic and far right threats, it is important to **making staff and children aware of all types of threats.**
- 5.** Safeguard and educate young people, parents and communities, this is done through running **Workshops for parents and the wider community**, through adding all areas into our curriculum, updating parents through newsletters and keeping the website updated.
- 6.** Identify vulnerabilities and risk, this is done through **training all staff** to look out for signs and knowing the reporting system
- 7.** **Deliver training to all staff**, this takes place yearly to all staff including LTS and Academy Councillors.
- 8.** Be aware of the **Prevent training Toolkit**, this is to make sure that all staff are aware on how to make referrals.
- 9.** **Keep updated with police, home office and department of education guidance**
- 10.** **All staff to be aware of current E-Safety best practice, and children to know** about E-safety and how to report concerns
- 11.** **Planning prevent into school curriculum Prescriptive and resources for staff.**
