Monday	Mindfulness Everyday			<p>Nursery Rhymes</p>  <p>Practise counting to 20 every day. Make some number cards from 1-10 and help your child to learn their numbers. If they already recognise them they could use them to count out toys to match each number.</p> <p>This week we are going to focus on counting and recognising number 7. Try counting out 7 toys, forks, pencils, sweets from a larger group.</p> <p>Click here for some other ideas. And here's a counting poster. How many birds/bunnies/elves can you see?</p> <p>Here are two fun episodes of the Numberblocks.</p>  	<p>Here's a fun phonics activity to play this week. Fill a collection of socks with items from around your home that have different sounds. The picture below has some ideas. Then shake them and see if you can guess what's inside! Can you describe the sound? Is it a loud sound or a quiet sound, a rattling sound or a tapping sound. This game is good for developing those super language skills as well as your listening skills!</p>  <p>Take a look at the story 'Dear Zoo'. Can you make the animal noises? What sound does each of the animals begin with? Can you point to the j-i-raffe? Don't forget mums and dad's, even though giraffe begins with a 'g' the sound it makes is actually 'j' and it's those sounds that are important when we are learning to read. I spy with my little eye, an animal beginning with 's', 'f'.</p> <p>If you feel your child is ready to begin to learn some letter sounds, check out the links below. This week we will learn the 's' sound. In Nursery we concentrate on one new sound per week to give the children lots of time to learn and practise their new skill. Watch the video below over a couple of days. Search around your house for things beginning with 's' and practise drawing 's'. We use sand, salt etc and our fingers to draw the 's' sound.</p> 	<p>UW- Lesson 1</p> <p>PSED-Same & different lesson 1</p> <p>PSED-Same & different lesson 2</p> <p>PSED-Same and different lesson 3</p> <p>PSED- Same & different lesson 4</p>	 <p>Rod Campbell</p>  <p>Tales from Acorn Wood Colours Based on the Tales from Acorn Wood books by Julia Donaldson Axel Scheffler</p>  <p>Rod Campbell Noisy Farm A lift-the-flap book</p>
