

Nursery Weekly Timetable 8/2/2021-

	Mental Health 9.00am	Gross Motor Skills 9.30am	Handwriting 9.45 am	Maths 10-10.30am	Phonics 10.30-11.00am	UW/EAD 11.00-11.30am	Story Time 11.30-11.45am)
Monday	Mindfulness Everyday		Video 	<p align="center">Nursery Rhymes</p>  <p align="center">COUNTING NUMBERS 1-20</p> <p>Practise counting to 20 every day. Make some number cards from 1-10 and help your child to learn their numbers. If they already recognise them they could use them to count out toys to match each number.</p> <p>Build a den indoors or outdoors, for you or for one of your toys. Will it be big or small, tall, or short? Fit in one or two or three toys? Do you have a tape measure you could use to help to measure it? Can you play in it with your toys? Or read a story inside? Can you make a pattern using pasta/bangles/jewels/buttons? Click on the links below.</p> <div style="display: flex; justify-content: space-around;"> <div data-bbox="1190 1205 1433 1373"> <p>Make it! #MathsEveryoneCanAtHome</p> <p>Making dens is a fantastic way to problem solve. Thinking about angles, height, length and shapes.</p> <p>Can you make an indoor or an outdoor den? Could you make a small scale den for a toy?</p> <p>Measure the height, length and width of your den. How many people/toys can fit inside it? Share your photos with us!</p> </div> <div data-bbox="1448 1205 1691 1373"> <p>Make it! #MathsEveryoneCanAtHome</p> <p>We love looking for patterns all around us. It's amazing how many patterns we can spot around the house, especially in our food!</p> <p>Look at the patterns inside these objects. Can you describe the patterns? Make your own pattern in a circle or a spiral using different items e.g. buttons, pebbles, leaves etc.</p> <p>Can you draw or photograph the pattern you have made? Don't forget to share your photos and drawings!</p> </div> <div data-bbox="1299 1377 1590 1577"> <p>Play it! #MathsEveryoneCanAtHome</p> <p>Maths can involve using your memory. Games are a good way to improve your recall of information.</p> <p>Play the 'tray game' to test your memory or play the 'shopping game' (White Rose Maths style). Use our instructions to learn how to play.</p> <p>Do you have your own favourite memory games? Share the rules with us so we can all play!</p> </div> </div>	 <p>A lovely game for listening to and matching sounds. Maybe when you are outdoors this week you could listen out for sounds around you. I've heard lots cars driving past. What can you hear?</p>  <p>If you are asked to login, use login: jan20 password: home</p> <p>A fantastic game has been made available for free for 30 day. Reading Eggs is a brilliant reading app. If your child is ready to learn to read, it will teach them letter sounds and early reading skills.</p> 	<p align="center">UW- Lesson 2</p> <p align="center">PSED- Staying Safe lesson 1</p> <p align="center">PSED- Staying safe lesson 2</p> <p align="center">PSED- Staying safe lesson 3</p> <p align="center">PSED- Staying safe lesson 4</p>

Wednesday							
Thursday							
Fri	Family fun!	<p>Cooking </p> <p align="center">Lentil Soup</p>	<p>Board game </p> <p align="center">Play a game with your family.</p>	 <p align="center">Street Dance</p>	<p>Your child is ready to learn to read when they can hear the beginning sounds in words eg when you play I spy and they can name things beginning with that sound. Also they should be able to blend some sounds eg if you place some objects in front of them - cup, hat, bus, dog, frog. Say the sounds in the words one at a time - c-u-p. Your child should be able to select the correct object from the group without any help.</p> 	<p align="center">Roots to Fruits</p>
