

Nursery Weekly Timetable 12/10/2020

	PE 9.00am	Gross Motor Skills 9.30am	Maths 10-11.00am	Phonics (11-11.30am)	Story Time (11.30- 11.45am)
Monday	<u>PE With Joe Wicks</u>		<p>This week we are going to focus on counting actions or sounds. In Nursery we spend lots of time representing numbers in different ways. Roll a dice or choose a number to 10. How can you show that number? Can you hop/ jump, clap, stamp that number of times? Can you show the number on your fingers? Can you draw that number (you could draw that many lines or smiley faces or the number if you know what it looks like). Can you make that number of sounds - tap two toys together or two sticks or make your own shaker to shake that many times. Can you find that number of toys? The possibilities are endless. This is a really important skill as it shows that you really understand numbers.</p>	<p>Listen out for the rhymes in stories this week and the rhyming words in some of your favourite songs. Here are some of our favourites: Baa Baa Black Sheep, Twinkle Twinkle Little Star, Humpty Dumpty sat on a Wall, Hickory Dickory Dock.</p>
