

15th September 2020

Dear Parents & Carers of Year 1,

We have been advised by Public Health England that there has been a confirmed case of COVID-19 within Oasis Academy Boulton's Year 2 class. This is an isolated individual case in this class, so please don't be alarmed, but it is a reminder that we all need to remain vigilant, both in school and in the wider community.

As part of the arrangements we are implementing due to Year 2 self-isolating, we unfortunately must ask Year 1 to learn from home for the *next fortnight*, returning to school on **Wednesday 30th September 2020**.

Please note that we are only asking your child to learn from home because of staffing numbers. They are not being asked to self-isolate, and there is no indication that they have potentially been exposed to the coronavirus.

For your information the school remains open to students in Years 3, 4, 5 and 6 who will continue to attend school as normal.

We are continuing to monitor the situation and are working closely with Public Health England. I have attached their latest advice for your reference.

I know asking Year 1 to learn from home for the next fortnight may significantly inconvenience you, we are only making this decision to ensure that we have sufficient numbers of staff to safely open the school for as many children as possible.

A home learning timetable for Year 1 will be available on the website from tomorrow, please go to the Oasis Academy website and then the home learning page. If you have any questions or queries, please send these via the school email address. If you do not yet have access to emails, and you have a question, you can call the Academy, but please be aware that our phone lines may be busy.

Please rest assured that we will keep you updated on the current situation.

Warm regards

Mrs S Rathore

Principal
