A Message from the Principal

Dear Parent/Carers,

It has been a busy start to the new academic year. We have already had lots of exciting things happening within our academy. We had a group of volunteers that came to the academy to build an enclosure for the Alpaca's. We have two Bearded Dragons in the library; they are looked after by Miss Diane. Aston Villa football coaches have been coming in to work with our students in Years 1 and 2. Finally, our after school clubs are up and running! We have a cooking club, dhol-drumming club, drama club, gospel singing club and a reading club!

This year, we are trying to focus on getting the children interested in reading and we need all parents and family members to help us succeed in getting our children to read on a daily basis. If you have young children, please try and read a book with them each evening as this will help to improve your child's learning in school and develop their language and speaking skills even more.

The academy will be closed on Friday 26th October for 1 week for the half-term holidays.

Have a fantastic weekend and do not forget to read a book with your child!

We will see you all next week!

Mrs Rathore - Principal

Thursday 25th October will be 'Dress Down Day'. The children do not need to wear school uniform on this day; they can wear their casual clothes if they bring in £1. The money raised will go towards our PTA school fund.

The academy will be closed for 1 week on Friday 26th October. We will re-open as normal on Monday 5th November.

If you completed the English or Maths functional skills course last year please note that your certificates are now ready for collection. Please come and see Mrs. Vadukul.

Important Notice

Please do not leave pushchairs unattended. The academy will not take responsibility for any items that have been lost or stolen. Please do not leave your babies unattended outside in their pushchairs either!
