## Leadership Message

Dear Parent and Carers,

We hope that you and your families are keeping safe and well. We are certainly missing you all and look forward to hearing that we can reopen for all pupils. You will be aware that the government have not yet given a date for this and so we will continue to support learning at home the best we can. Please encourage your child to keep active, making use of the online street dance sessions and Joe Wicks fitness sessions online where appropriate or being outside when the weather is nice and safe to do so. Exercise, fresh air and sunshine may help with the children's well-being.

The staff are working incredibly hard to plan activities and find resources that are accessible and beneficial and we will continue to share these through the 'Home Learning' tab on the website. BBC Bitesize is an excellent online learning resource and the link can be found on our website.

Keep safe everyone and hope to see you all very soon.

**Mrs Shilpa Rathore / Principal**
