Weekly Newsletter

A message from the Principal

Dear Parent and Carers,

We have had a really busy term in school with lots of 'buzz' around the academy. The Yr5 children have enjoyed their swimming sessions, EYFS enjoyed their Royal Party, Yr4 have patiently created masks for their topic work and much more. We are now waiting for the alpacas to arrive after half term which will bring a lot of excitement to the children!

Have a lovely restful break and thank you for your continued support.

Best Regards,
Mrs Rathore- Principal

Food Pantry

Thank you to all the parents who are accessing the Food pantry on a Wednesday between 9-11am, please do visit us every week at the hub community house (Next to the School).

Nursery and Reception

Letters are going out to Nursery and Reception children this week so please look out for these. Regarding the current children here at the academy they will know by the end of June who their teacher is for next year

IPAD'S

We have now successfully rolled out the ipads to all KS2 children and after half term we shall be giving all the KS1 children an ipad to take home and bring in to school every day. Please note the following regarding the ipads:

- Only the child who the ipad is assigned to may use this device
- The device is for learning only
- Children must not download anything on these ipads or change the apple ID (If this happens then there will be a charge for rectifying this)
- All activity at home and school is monitored through our web filtering system, this means if the children go on something they shouldn't then we will be sent the date, time, web address and a screen shot of what they have been on
- Parents need to monitor use at home to keep their children safe
- Please bring your ipad in a carrier bag every day (so it is not dropped on the way to school and damaged)
- Any deliberate damage will be assessed, and the parents will be charged accordingly (See agreement)

Year 6 Transition

As we approach the end of term I wanted to take this opportunity to talk about transition, Year 6 children moving into their secondary schools and new children arriving in Nursery and Reception and of course our current children who will be moving to the next year.

As of yet we are awaiting news on transition from many Secondary school, Holyhead have confirmed that there will be a half day transition on **Wednesday 7th July, 12.10am-3.15pm**, the rest of the secondary schools have yet to get back to us. We will expect those children to be in school here at Oasis Boulton in the morning and you may collect your child at 11.15am. Unfortunately, we will not be able to provide hot meals that day for the children as they will be leaving early so please ensure they have enough time to eat before going to Holyhead at 12.10pm. **If your child is a free school meal, please request a packed lunch by ringing the main office the first week back.**

Please note that we finish for half term on Friday 28th May and the children will return to school on Tuesday 8th June 2021.
